

**IMPORTANT NOTICE FOR CONFEREES PLANNING TO BRING CHILDREN OR GRANDCHILDREN
TO THE BLUE RIDGE INSTITUTE**

Blue Ridge Institute

Bringing our children or grandchildren to the Blue Ridge Institute each July provides many of us with an opportunity to spend time as a family in a wonderful setting.

The Blue Ridge Institute provides an outstanding optional educational program for our children. The program begins every morning (Monday through Friday) at 8:15 a.m. (as we begin our session). Children are grouped together by ages 4-11. The program ends each day at 12 noon when we end our daily sessions. The program also includes a Wednesday evening session for all ages while the adults attend the President's Ball.

Children who enroll in the Child Enrichment Program enjoy the program experience and have an opportunity to meet new friends whom they are able to spend time with each year on the hill. The charge for the program is \$75 per child for the five-day program. Fortunately, the Blue Ridge Institute will provide us with a \$1,000 subsidy to keep the cost low. **This cost is only for children who plan to attend the daily children's program.**

If you want to enroll your child (ren) or grandchildren but can't afford this fee, we have limited funds available for scholarships. WE DO NOT WANT ANYONE NOT TO BRING HIS OR HER CHILDREN BECAUSE OF THIS COST. If you seek scholarship funds, please note this on this form. *Information about individuals seeking scholarships is kept confidential and we will let you know in early June 2010 if such funds are available.*

If you plan to bring your children or grandchildren and want them to participate in the children's program, your registration is required **no later than Friday, June 5, 2010**. In order to plan for needed staff and programming, please contact me or complete this form as soon as possible. Again, please complete the enclosed form and return it as soon as possible with your registration form.

Also this year we will be need volunteers to stay with the children from 8:15-12:15 each day during the children's educational program. If you have a family member who would be willing to volunteer one or more days please contact me.

Thank you.
